

# Families are you interested in online learning for your student?

## WCCUSD VIRTUAL SCHOOL

WCCUSD is opening a virtual school of choice for the 2021-2022 school year. The Virtual School will provide families and students an educational experience that fits specifically to their needs.

Interested families will need to begin the Intra-District transfer process, which means PERMANENTLY withdrawing from their home school and joining the Virtual School community.

**Note:** If students are NOT able to return to full-time in-person instruction in the fall of 2021, WCCUSD will provide a distance learning option for students at their home school.

Intra District Transfer applications are available at [www.wccusd.net/transfers](http://www.wccusd.net/transfers). If you have questions please send an email to [virtualschoolquestions@wccusd.net](mailto:virtualschoolquestions@wccusd.net).

**A Virtual School family informational session is 6 p.m. on Thursday, February 25 via Zoom.**
