Next Release

v7.1 release

- Read the [release notes](#). Next release tentatively scheduled for **October 16th** after 10 PM (PDT). At that time your site will be under maintenance mode for a brief period.
- Gradebook users: Check out the [v7.0-v7.1 rolling release notes](#) for updates.

Announcements

Thank you for your patience!
We are thrilled that so many of you are using Illuminate daily! This is definitely our busiest season so you may experience some delays in our normal response times. Thanks for your understanding and taking advantage of our [help resources](#). We are committed to providing you with excellent service (just not as quick as we would like during this time).

3) Enter your username.

By default, your username is first initial, last name – all lowercase, with no space in between.

EXAMPLE: jeyre

Hyphenated names are first initial, first last name, SPACE second last name

EXAMPLE: jeyre rochester

4) Enter the password. Your password is: **welcome**

If this does not work, email illuminate@wccusd.net
