**Friday Memo - Bond Program Management Plan Update - Luis Freese**

The Bond Program Management Plan is a compilation of policies and procedures to ensure the ongoing implementation of effective controls. The Plan documents the internal controls in place to properly implement the District's policies, safeguard its assets, provide compliance with state and federal laws and regulations, and produce timely and accurate financial information.

The District anticipates publishing the Bond Program Management Plan by June 2020. In an effort to develop a comprehensive plan, the District is posting draft sections on the District website <https://www.wccusd.net/Page/13520> and then opening a 30-day public comment window. Written suggestions for revisions, additions, and improvements are encouraged and may be submitted using a [google form](#) available online. If anyone would like to be notified when additional draft sections become available, they can subscribe by submitting a request via email to [facilitiesplanning@wccusd.net](mailto:facilitiesplanning@wccusd.net).
