Roadmap Update

Budget Reductions

Reminder: **We have committed to 10m in reductions for the 19-20 school year and 4m to balance the budget.** Staff is working on proposals for the Board to be brought over the fall. **A study session will also be scheduled for Wednesday November 7th.** (This will also include enrollment information as previously scheduled.)

Student Achievement

Tonight we will look at both SBAC data and early literacy data from our first benchmark
