# ROADMAP UPDATE

<u>ACHIEVING STUDENTS:</u> Our first reading Benchmark has closed and approximately 30% of our 2-8 students are at/above grade level. Schools are using SBAC data and benchmark data to ready instruction and intervention for students

<u>ENGAGED COMMUNITIES</u>:  Enrollment has increased across the district (with areas of challenge) as compared to last year.

<u>INVESTED EMPLOYEES</u>: 70 Employees attended a Housing Meeting with the Richmond Community Foundation this week.

# COMMUNITY CAMPAIGNS

**THIRD GRADE LITERACY:** Second meeting with West County Literacy Coalition to partner on the build out of a new Early Literacy Academy for all TK-3 new teachers.

**RECLASSIFICATION**: New data reports have been created that specify exactly what each student needs to be redesignated as English Proficient

**A-G:** Every high school site has established a College Access Team to bring together all of the college support resources on each high school campus for information sharing and alignment.

# Upcoming
