Margaret Collins Elementary School School Accountability Report Card Reported Using Data from the 2013-14 School Year Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress / Standardized Testing and Reporting Results for All Students in Science (Three-Year Comparison)

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parent Activities

- Newsletter with ideas for parents to help students
- Parent Workshops
- Parent Teacher Association: Interested parents can participate in fund-raising and school improvement.
- Back to School Night: Parents and students meet with teachers to learn grade level and teacher expectations.
- Open House: Parents can visit their students' current classrooms and other grade levels.
- Science Night and Fair
- Family literacy and math nights
- Monthly morning parent/principal gatherings
- Art show
- Writing Fair
- English Learners Advisory Council

SCHOOL SITE COUNCIL: Every elementary school must have a School Site Council composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852).

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

| Expulsions | 0.0 | 0.0 | 0.0 | 0.2 | 0.0 | 0.0 | 0.1 | 0.1 | 0.1 |

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

School Safety Plan (Most Recent Year)

Collins has a safety team. Safety supplies are stored in the front of the multi-purpose room. Our school safety plan is revised yearly. A list of duties is given to all team members, and is also kept in each classroom's earthquake/disaster packet. An earthquake/disaster simulation is held each year. Drills include monthly fire drills and semi-annual shelter-in-place drills. A system is in place to handle intruders or dangerous situations. We are growing our relationship with the Pinole Police Department to have officers familiar with the campus and having positive interactions with students.

Professional Development

On-going collaboration allows grade-level teams to address issues of instruction and achievement. The principal provides collaboration, mostly centered on data-driven instruction.

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, teachers, administrators and other personnel engage in ongoing professional development focused on improving teaching and learning. Training is provided to principals and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, Gifted and Talented Education (GATE), differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders.
