# Lake Elementary School School Accountability Report Card Reported Using Data from the 2013-14 School Year

**Published During 2014-15** 

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school principal or the district
  office.

#### School Description and Mission Statement (Most Recent Year)

Lake Elementary School is a K-6 school located in the city of San Pablo. Lake is housed in an older building and is on the list of schools to be rebuilt. Lake is a Title 1 / Program Improvement School. Of our 430 students, a large number are English Learners – approximately 68%. We have a 100% free and reduced lunch rate. Lake is a RTI (Response To Intervention) School, which means that we offer academic and behavior support to all students.

At Lake, we believe in our students and their potential. Our mission is to work in partnership with our parents to expose our students to possibilities and opportunities for success during their school years and beyond. We also work to instill in our students confidence and a belief in themselves and their abilities.

While students are at Lake, we hold high expectations for academic achievement and provide support services, as needed, to order to create and maintain an optimal learning environment. Support services include academic intervention and the development of behavior and social/emotional skills.

Study trips are encouraged in order to provide exposure to academic opportunities outside the school. The YMCA runs our after school program for students in grades 1-6 by providing homework help, academically-aligned lessons and enrichment activities.

# A. Conditions of Learning

# **State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

# **Teacher Credentials**

<sup>\*</sup> Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Lake Elementary has limited addition space for assemblies, the band program, and conferences. For example, many district personnel visit the school and require a private, quiet space for testing students and meeting with parents. The playground space is adequate in size, but the basketball and kickball areas have not been maintained. We have allocated MRAD funds to develop these playground areas including a soccer field for students. We also have allocated MRAD funds and created a pathway for community members to use during the school day so that the playground is safe and enclosed for students. Parents have played a very active role in improving our facilities this includes painting the exterior of the school and painting the multi-purpose room with district support. We plan to continue this partnership to beautify Lake School for our students. We are working with the district for the repairs necessary for an older structure.

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

# **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

• Pupil outcomes in the subject areas of English, mathematics, and physical education.

#### California Physical Fitness Test Results (School Year 2013-14)

Grade	Percent of Students Meeting Fitness Standards						
Level	Four of Six Standards	Five of Six Standards	Six of Six Standards				
5	17.0	10.6	6.4				

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# C. Engagement

## **State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (Most Recent Year)**

#### PARENT INVOLVEMENT PROGRAMS

- School Site Council (SSC): The SSC develops and monitors the implementation of the School Plan for Student Achievement (SPSA) and budgets.
- English Language Advisory Council (ELAC): The ELAC Committee monitors programs, services and budgets for EL students.
- The Parent Club: Fundraising and supports school improvement activities for students, parents and teachers. The Parent Club meets monthly.
- ESL Classes: Adult Education provides ESL classes. Parents are taught English.
- Parenting Classes: Parents learn parenting strategies.
- School Success Team (SST): Parents, teachers and other school professionals meet as a team to problem-solve solutions to individual student issues re: academics, behavior and/or attendance.
- Parent/Teacher Conferences: Parents meet with teachers on Parent/Teacher Conference Days and during conferences throughout the year as requested by either teachers or parents. Translators provided as needed.
- Parent Volunteers: Parents volunteer in classrooms and for school-wide activities i.e. The Winter Festival, The Food Festival and Clean-Up Days.

# **State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **Suspensions and Expulsions**

Dodo	School			District			State		
Rate	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
Suspensions	2.7	1.7	2.2	10.8	10.2	6.6	5.7	5.1	4.4
Expulsions	0.0	0.0	0.0	0.2	0.0	0.0	0.1	0.1	0.1

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

## School Safety Plan (Most Recent Year)

The Lake Safety is reviewed annually. Safety concerns are addressed at staff meetings, as needed.

Fire Drills and Disaster Drills are conducted monthly. Students are supervised before school, during morning and lunch recesses, and after school. Visitors are required to sign in at the office and wear a visitor's badge while on the premises. Specialized bells sound in the event of an emergency.

Lake uses the BEST (Building Effective Schools Together) program schoolwide for positive discipline procedures.

#### **Professional Development**

Lake teachers participate in professional development in a variety of ways. The core of our program is guided by the Instructional Leadership Team which meets once a month to plan and/or review upcoming professional development. Leadership is provided by the principal and various teachers who have gone to district trainings. Teachers use the cycle of inquiry to monitor student learning and guide instruction. Teachers also receive on-site training on strategies for English language arts, math or ELD to support student learning. Teachers meet in grade level teams, look at student work, and plan the implementation of the instructional program. Teachers also participate in district wide literacy and math trainings and English Language Development trainings.

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, the Academic Support Division engages teachers, administrators and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, Gifted and Talented Education (GATE), differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders.
