TRANSFER PROCESS, STUDENT SELECTION AND NOTIFICATION

Transfer requests are subject to **space availability at the requested school**. WCCUSD anticipates that **not** all schools will have space for transfers. **All requests will be considered in an unbiased random selection process according to priority** to determine which pupils will be approved for transfers. The Transfer Office aims to mail out notification of the approval/denial of transfer requests by the end of **May 2021**.

PRIORITY SELECTION

Transfer requests will be considered according to the following priorities [bp 5116.1]:

1. **Sibling** (brother or sister) transfers are considered only if they would be in attendance at the same time at the requested school. Must provide proof of sibling's current enrollment. **(Having a sibling at the school requested does not guarantee that a transfer will be granted.)**
2. Any student whose parent/guardian is assigned to that school as his/her primary place of employment.
3. Any student enrolled in a persistently low performing district school that has been identified for Comprehensive Support and Improvement (CSI) by the State of California.
4. **Program Transfers** Any student may request to attend a school outside his/her attendance area for a specific program (e.g. Pathways, Dual Immersion, TBE, etc.) offering that is not offered as his/her school of residence. Prerequisites may be necessary for enrollment in certain courses.
5. **Safety** Any student who is a victim of a violent crime while on school grounds (Ed Code 20 USC 7912)
6. **Special Circumstances** Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area, Special circumstances include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any student may transfer to a district school that is at capacity and otherwise closed to transfers. To grant priority under these circumstances, the Superintendent or designee must have received either: (Ed Code 35160.5) a. A written statement from a representative of an appropriate state or local agency, including but not limited to a law enforcement official or social worker, or a properly licensed or registered professional, including, but not limited to, a psychiatrist, psychologist, or marriage and family therapist; or b. A court order, including a temporary restraining order and injunction
7. **Continuing Student** An elementary or middle/junior high school student may continue at a school for the rest of the school year if his/her parent/guardian has moved to another school attendance area
8. **Displaced Residents** A student may be redirected to another school if there is no space available at his/her grade level at the school of residence. The student will be placed on a waiting list at his/her school of residence and may return when space becomes available. A redirect student who elects to remain at the receiving school the following year shall be considered a transfer student and will no longer be considered a displaced resident. The student shall be allowed to remain at the re-directed school until he/she completes the highest grade offered at that school and shall not be subject to further displacement.

APPROVED TRANSFERS ACCEPTANCE TERMS

I understand that if my Open Enrollment Transfer request is granted, I must confirm enrollment with the approved school by the stated deadline on the notification. In addition, I understand that by confirming enrollment at the approved school my child automatically loses his/her spot at the current school of attendance. **Failure to confirm enrollment by the deadline, will result in the forfeiture of the approval.** My son/daughter and I are committed to maintain the following **Approval Terms**:

1. Minimum attendance rate of 95% for each grading period:
2. No truanancies or unexcused absences during the school year:
3. Appropriate school behavior as outlined in the Student Handbook and Code of Conduct:
4. Secondary students are expected to maintain a Grade Point Average of 2.0 for each grading period.

Your student will remain at the requested school site as long as the terms listed above are followed. School site administrators will be reviewing your student's academic and disciplinary standing to determine eligibility. Though not currently anticipated, students on a transfer may be subject to be displaced to their resident school due to excessive enrollment. **Transfers will be revoked if terms listed above are not followed ; meeting with executive director will be needed**

APPEAL PROCESS

Open Enrollment Transfer denials on new applications may be appealed by submitting the appeal form, a statement, and providing a copy of the denial notice to the Transfer Office **within 14 days of denial notice date**.
