

# Supporting Student Success in Digital Spaces

A Parents' Guide, Freshman House, De Anza High School 2020-21

## Logging On/Live Class

- Class will occur Zoom/ Google Meet
- Teachers (including Homeroom) will post links to live sessions in Google Classroom.
- If possible, minimize use of other wifi devices (T.V, speakers, other devices) to maximize available bandwidth for live classes.
- [Student How To's for Google, Zoom, Remind](#): In English, Spanish, & Portuguese

## Creating Space @ Home

- Learning is public during Distance Learning.
- If possible, provide the student a quiet space for the zoom call, and minimize household noise.
- Support 'screen-free' breaks between live sessions
- Encourage movement during breaks
- Maintain a regular schedule (if possible)
- Make time to check-in with your student each evening
  
- For social emotional support, have your student fill out this form by Clicking on this [link](#).

## Checking Grades

- Student grades may or may not be entered in Google Classroom, all grades in PowerSchool are accurate.
- Students will receive grades for all 4 classes, but not for Homeroom.
- Teachers should be inputting grades from student submissions to PowerSchool, typically updated weekly.
- If you need to contact your child's teacher, the De Anza Website has contacts. Teacher emails are also accessible in PowerSchool.

## Submitting Assignments

- All work for each class at De Anza will be submitted through the Google Classroom platform.
- Students should have access codes in their PowerSchool schedule, which parents can also use to join the class.
- Student grades may or may not be entered in Google Classroom, all grades in PowerSchool are accurate.
