Dear Ellerhorst Families,

Principal Coffee Club: Last week, it was great to talk to families at our Principal's Coffee Club, hear some positive feedback about how classes are going, and listen to valuable suggestions of how we can move forward. One suggestion was to change up the time to allow more families to participate. So this week, Principal's Coffee Club will be a lunch bunch edition. Come join me for lunch, on Zoom, at noon, Thursday. Links are posted on [our school calendar](#) on [the website](#), and a reminder will be coming through Class Dojo.

Dad's Club: On Tuesday, the Dad's Club will have its virtual meeting. We will be talking about a couple of events that will raise money for our school, and to bring our community together. That's this Tuesday, at 7. Contact the Dad's Club or me for link information.

PTA Alternative Fundraiser: And the PTA needs your support. We can't do a Walk-A-Thon this year, but we still want to support the classrooms. We are trying an alternative fundraiser. We invite you to donate directly to PTA by either dropping off checks to the office or through Venmo. You can also take this time to join the PTA, the same way. See [the Ellerhorst website](#) for more information.

Be Charged: Remember to charge that Chromebook. Thank you, and have a great week.

Greg Whaling

Principal
